PROFESSIONAL SUMMARY

Second-year undergraduate in the Department of ICT at the University of Vavuniya, seeking a data science internship. Eager to apply a solid foundation in data science and programming to develop innovative, data-driven solutions and contribute to impactful projects.

EDUCATION

Bachelor of Information & Communication Technology (Honours) **Present - April 2022**
University of Vavuniya, Expected Graduation: 2026 | GPA: 3.5 out of 4.0
Diploma in English **Present - June 2024**
SLEGA College

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, SQL
- **Data Analysis & Machine Learning:** Pandas, NumPy, Matplotlib, Seaborn, Scikit-Learn
- **Web Development:** Flask, HTML, CSS, JavaScript
- **Database Management:** MySQL
- **Development Tools:** PyCharm, Jupyter Notebook, Visual Studio Code, IntelliJ IDEA, Git, GitHub
- **Soft Skills:** Leadership, Teamwork, Excellent Communication, Problem-Solving
- **Languages:** English (Fluent), Tamil (Native), Sinhala (Basic Conversational)

PROJECT EXPERIENCE

- LearnVista - A Simple VLE Web Application | [Link](#)** **Aug 2024**
- Developed a web application simulating a Virtual Learning Environment (VLE) using HTML, CSS, JavaScript, and Python (Flask). Deployed on Heroku with a MySQL database (ClearDB) for data management. [Source Code](#)
- Classifying Fake News Using Supervised Learning with NLP | [Link](#)** **June 2024**
- Implemented a supervised learning model to classify news articles as fake or real using NLP techniques with scikit-learn, achieving high accuracy through feature extraction and model training.
- Console-Based Past Paper App | [Link](#)** **October 2023**
- Created a Java application allowing students to securely access and download past examination papers, featuring user authentication, profile management, and a categorized repository of papers.

CERTIFICATIONS

- Programming in Python (University of Moratuwa) | [CERTIFICATE](#)** **July 2023**
- Mastered Python fundamentals and developed practical skills through industry-relevant assignments
- Data Science Foundation Professional Certificate (IBM) | [CERTIFICATE](#)** **December 2023**
- Acquired foundational expertise in data science tools and methodologies.
- Machine Learning with Python: A Practical Introduction (IBM) | [CERTIFICATE](#)** **December 2023**
- Applied Python in hands-on labs covering regression, classification, clustering, and recommender systems.

EXTRACURRICULAR ACTIVITIES

- **Member,** IEEE Student Branch of University of Vavuniya
- **Member,** Student Union (Faculty of Technological Studies)
